*\*For domestic suppliers, the schedule will follow as indicated in the chart, for both increase and decrease quote submissions*

*\*\* The retail price for imported products will change when there is a receipt of goods at the revised quote and based on LCBO re-pricing timelines and standards.*

Quote increases may not be accepted if they fail to meet LCBO pricing policies regarding changes in quotes (e.g. listed less than one-year, excessive increases, period promotions). Failure to meet deadlines and/or LCBO pricing policies may result in postponement of quote increases.

Quotes **must** be sent via e-mail to [pricing@lcbo.com](mailto:pricing@lcbo.com).

This schedule is for increases in quotes only. Suppliers can submit quote decreases at any time, provided they have approval from the appropriate Business Unit Manager and there is sufficient time for implementation.

As a reminder, products sold through The Beer Store (TBS) are subject to the "Beer Protocol" schedule.
